

Sponsoring an Ark child

Go2Serve Foundation is a registered charity in the Hong Kong SAR since Aug 2009 (Ref no. 91/10371). The founders have a long relationship working with the Founder of the Ark Orphanage – Dr. Liu, a retired Medical doctor, since it established in 2003. The Ark Orphanage is in a remote Tibetan mountainous region in N. Sichuan. The Ark Orphanage is one of the few privately funded Orphanages in China helping both disabled and healthy children in a predominantly Tibetan region. The Orphanage now is a home to 45+ children, majority are Tibetans, age 7-17. Through the generosity of many people, the Orphanage has been able to support these children and provide a home for them – a home they know they are loved and cherished! The first impression for most people visiting the Orphanage is how happy these children are and the close relation they have with Dr. Liu's family and staff, the children call Dr. Liu and Mrs. Liu "YeYe"(Grandfather) and "NaiNai"(Grandmother). Go2Serve Foundation has future plans of helping to start other sustainable projects in the area to provide more financial support to the Orphanage and job training for the grown Orphanage children after they finish their education. The supporters of the Foundation are a group of people who care about the underprivileged in remote places where resources are scarce and people's needs are unheard of. We want to care for the needs of the hard to reach through sustainable projects and developments. We want to Go2Serve! All of the staff in the Foundation are volunteers and therefore administration costs are kept low. Majority of the donations received go into the different projects and fundings to help the people we serve in China.

We invite you to support one or more of our Ark children monthly – Please send along with this form a photo of you or your family and we'll send you the name and photo of the child/children you're sponsoring
